

Can We Wave The Flag Too Much?

by SIDNEY L. DeLOVE

Is it possible to wave the flag too much? Provided, of course, that you wave it with integrity? Is it possible to study Lincoln or Shakespeare too much? Is it possible to read the Bible too much? ★ The great, the good, the true, are inexhaustible for inspiration, example and strength. I believe that we are not waving our flag enough, not nearly enough. ★ It seems to me that we are developing a tendency to be timid or even apologetic about waving the stars and stripes. Walk up and down the streets on July 4th and count the flags. It is our nation's birthday, a sacred day in world history, the most important day of America. Why isn't the flag flying on every rooftop and from every home and building? This complacent attitude is strong evidence of cancerous patriotic decay. The flag is a symbol of our national unity. It is the spirit of our undying devotion to our country. It stands for the best that is in us . . . for loyalty, character, and faith in democracy. ★ Isn't our flag a synonym of the United States of America? Does it not represent man's greatest, noblest, most sublime dream? Is it not the zenith of achievement, the goal to which generations have aspired? ★ Ladies and gentlemen, I believe it is time for us . . . for the mad, rushing Twentieth Century American . . . to stop for a moment and think. Let us arrest our near reverential admiration of material success and return to the spiritual and ethical values. Let us imbue and rekindle in ourselves and our children the so-called old-fashioned way of patriotism, a burning devotion to the principles and ideals upon which our country was founded. ★ Should not every home own and proudly display the colors on holidays and other such occasions? Isn't the flag Patrick Henry, Jefferson, Franklin, Washington, Nathan Hale, Gettysburg and Valley Forge, Paul Revere, Jackson and other great men and women who have given us our heritage. When you look at the flag can't you see the Alamo, Corregidor, Pearl Harbor, The Monitor, The Merrimac, Wake Island, and Korea? Lest we forget, isn't the flag Flanders Field, Bataan, Iwo Jima, Normandy, Babe Ruth and Davy Crockett? The great events of our past and present are wrapped up in our flag. ★ It is a symbol of this blessed nation, a giant in industry, education and commerce. Millions of fertile square miles, wheatlands, coal mines, steel plants. Our great republic, the chosen infant destined to be man's last and remaining hope for suffering humanity, a shining beacon of light, noble and glorious, the haven for the oppressed and persecuted and truly God's gift to mankind. ★ That is what the flag means to me. Can we wave it too much? I don't think so.

Reply of S. L. DeLove on the Know Your History Hour, December 30th, 1956, to a listener who wrote as follows: "Your programs are wonderful — especially the no commercials — but you are waving the flag too much." The above has been reprinted annually in many national magazines, newspapers and radio stations, and is a part of the Congressional Record. Dr. DeLove is the author of *The Quiet Betrayal* and president of Independence Hall of Chicago.

Everyone Has July 4 Festivities

SOUTHWEST -- July 4 celebrations have been planned on the national and local scene. Lemont, Lockport, New Lenox, Frankfort, and Mokena have made plans for the Independence Day holiday.

Committees entrusted with the various phases of the annual festival in Mokena are working to complete details. The festival, which is sponsored by the Mokena Lions Club, opens tomorrow and continues to July 6.

There will be parades, a dance, baseball, waterball fights by various fire departments, the crowning of the queen and an auction. Booths will be set up in Community Park. There will be attractions for entertainment and some booths will offer food and refreshments. There also will be rides.

A teen dance, to be staged in the pavilion at Community Park, is scheduled for the opening night, July 3, and will run from 6 to 9 p.m.

On July 4 there will be a parade at 1:30 p.m., that will include numerous floats, marching units, including baton twirlers from the Minut Studio at New Lenox. The Mokena Woman's Club and the Mokena Garden Club will have floats. Many fire departments will be represented.

The parade will form on the Carpenter Street School grounds and move south on Division St. to Front, where it will head west to Wolf Rd., thence south to LaPorte Rd. and east on LaPorte to the park.

Fire departments appear-

ing in the parade will also bring their water ball teams for the contests that are to be held at 2:30 p.m. in the park.

Crowning of the festival queen is to take place at 4 p.m. There are three candidates for queen-Gail Bernard, Marilyn Yunker and Jolleen Allred. The voting is done by the purchasers of tickets at \$1 each, or six for \$5. The purchaser indicates his choice for queen.

On July 5 there is to be a children's parade, starting at 1:30 p.m. at the park. There will be gaily decorated bikes, wagons, prams and doll buggies and most of the contestants will be in costume.

At 4 p.m. that afternoon there will be an auction at the park, with Norman Strassenberg, new president of the Lions Club, in charge, not because he is head of the club but because he is a professional auctioneer.

Anyone with merchandise—new or old—or anything else for that matter, who is willing to donate it may bring it to a tent on the park grounds where it will be sold to the highest bidders. Proceeds from the auction are used by the Lions for their various charitable and community enterprises.

Arbury Hills and Mokena Little League teams are to play ball at the park, starting at 1 p.m. on Sunday afternoon.

On Sunday evening, at 9:30 p.m., there will be a fireworks display.

Annual celebration of the holiday, sponsored by the Marley Brotherhood, will be held July 4 in Haley Park in Marley. This is the 88th observance, which will feature fun and entertainment for everyone.

Picnic dinners will be available at noon, featuring charcoal broiled steak sandwiches. Recreation and ball games will be provided. There will be pop and ice cream on sale at the refreshment stand.

At dusk on July 3 residents in the Lemont area will see the annual fireworks display sponsored by the Lemont Volunteer Fire Department, Lemont Jaycees, VFW 22 Honor

School Is 'Late'

By Louise Schaller

ROMEOVILLE - A letter, sent to Robert Shoop, architect for Alexander, Borcken, Westphal and DeYoung, from Leslie Nyman, vice-president of Regan Construction Company, was

read at Monday's District 96 School Board meeting.

Nyman reported that the new Ridge View School would not be ready by the agreed upon date of August 15. He stated that the reason for the delay was the board's

failure to get the land earlier. Purchase of the land was in June, 1968. Work could not be started until late last fall.

Fact finders hired by the board and teacher's organization will give their report

at an adjourned meeting to be held Monday, June 30 at 8 p.m.

Transportation to the Cerebral Palsy Center in Joliet will be provided in September. These children are now attending special sessions at Lake Shirley and at arts and crafts.

A home purchased adjoining Brook View School will be remodeled for office space for the school.

Band bids were awarded to the Karnes Music Company.

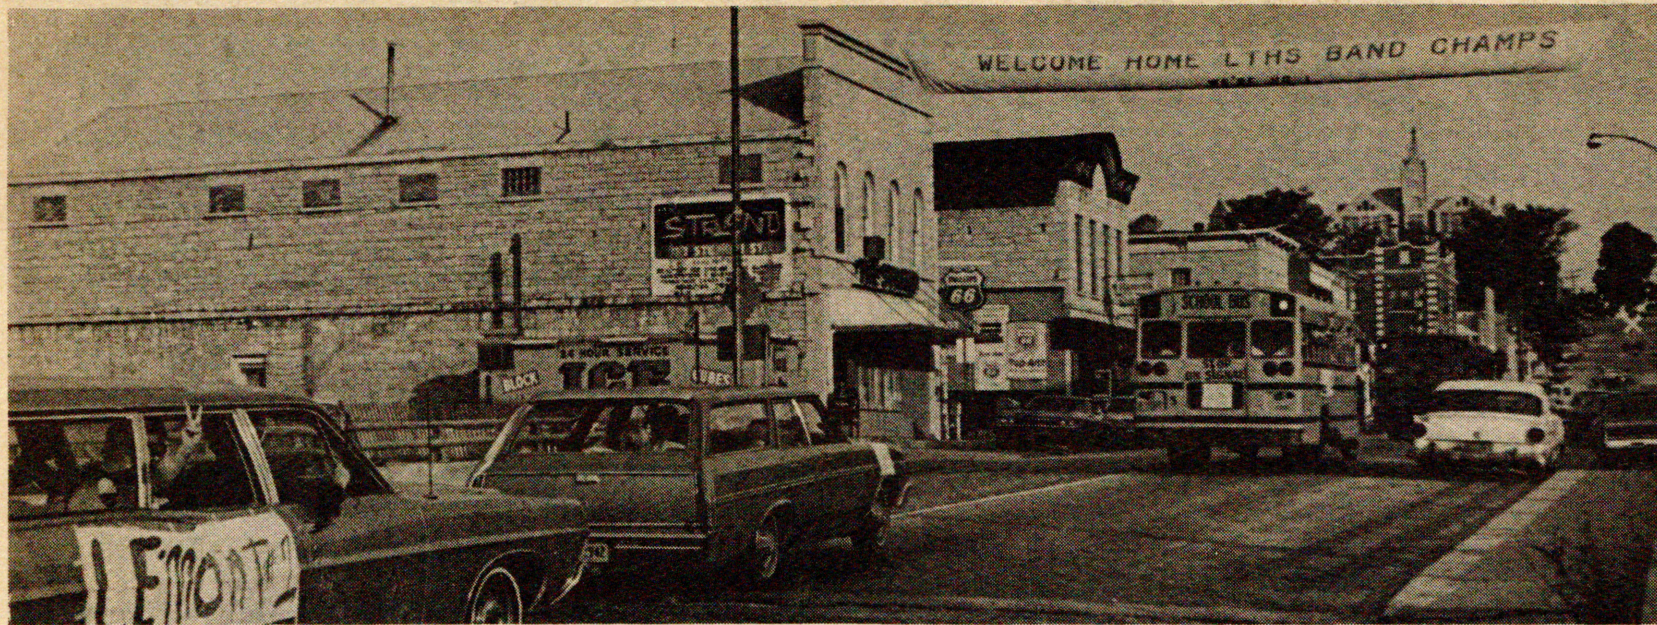

Mrs. McCluskey of Bolingbrook asked board members to consider opening the gates at North View School for recreation purposes.

Police Have New Chief

LEMONT -- Resignation of Lemont Police Chief Joe Nagel and the appointment of Captain Frank Sowa as chief was performed by John J. Kujawa, mayor, at the June 23 meeting of the Lemont Village Board of Trustees.

Chief Nagel stated that he felt that he could no longer devote the sufficient amount of time to the office because of his full-time job at Pure Oil. His resignation will become effective July 1.

Captain Sowa will take over the job as new chief on July 1. Motion to accept the resignation and approve the new appointment was made by Trustee Bernard Shaf, seconded by Trustee Dr. Barry Ladd.

PROUD LEMONT residents greeted the buses loaded with members of the Lemont Township High School Band and escorted them into town Sunday evening, following their win at the 1969 A Seaway Festival, held in Muskegon, Mich. Escorts for the students, beside Lemont residents, were from the police and fire departments.

Taft Takes First

LOCKPORT -- Taft Grade School of Lockport received the first place trophy and \$100 in the junior high school division at the Seaway Music Festival in Muskegon, Mich. The band is under the direction of Herbert Tatroe.

The band, in its first appearance at the festival, received the highest rating in both parade and concert in this division. Plainfield Grade School Band took second place.

The unit received a first place trophy for the best inspection and \$200 for second place in the overall competition June 22 at the Plainfield Music Festival in the junior high school division.

Kenosha Rambler Band from Wisconsin, composed of five grade schools bands from the Kenosha area, took first place; New Lenox Grade School Band, third place; Plainfield Grade School Band, fourth place; Chicago Youth Band, fifth place.

Lemont Wins Seaway Festival Award

LEMONT -- Lemont Township High School Band, 85 students strong, walked off with the first place trophy, a plaque award, and a \$300 check in competition in the annual "A Seaway Festival" held this past weekend in Muskegon, Mich.

The band, directed by Robert Smelser, consists of 68 musicians and 17 pom-pom and flag bearers.

The competition, which was determined by size of the school enrollment, consisted of schools from Michigan, Indiana, Wisconsin, Illinois and other midwestern states.

Band members proudly accepted the Chase-Hammond Trophy, the first place award, from directors of the festival.

The festival is an annual affair held in honor of a deceased Muskegon man, Chase Hammond, a musician.

Competition consisted of a total of 200 points, of which the Lemont band was awarded 178, gained through the

morning parade and an afternoon concert. A total of 100 points was given for each.

The concert was held in McGraft Park. The parade was a total of two and a half miles and among the participants were the competing bands and floats. Grand Parade Marshall was Earl Morrell, quarterback for the Baltimore Colts.

The Lemont Band competed in the small high school division, with a group of five schools.

Last year the Lemont Junior High School band entered the Muskegon competition and came back with a first rating. Some of the students from that band are now members of the high school band, winning their second award.

Proud Lemont residents did not let their award-winners go unnoticed Sunday evening. When the buses,

which were supplied through the cooperation of Robert Gorski and the high school board, pulled off of Route 66 cars waited for them and joined the escort all the way into town. As one of the

ladies with the group stated, "I counted 94 cars and then gave up." Escorts from the police and fire departments preceded the buses into town.

All money to finance this trip came through the work

of the band members and members of the band boosters club. Twenty chaperones went along with the students, and many Lemont families went down to see the competition.

LEADERSHIP OF THE Lemont area division in the \$4,500,000 campaign to improve Silver Cross and St. Joseph Hospitals through a near 11 million dollar construction program examine the over \$75,000 x-ray unit at Silver

Cross Hospital. Heading the campaign are (l to r) Robert J. Kuebler, George E. Walker, chairman, Edward O. Bossert, and Glenn W. McAdam.

No Lease, No Tavern

MOKENA -- The saloon strength of Mokena has been reduced to two with the closing of the Bobby Jo Tap at 11102 Front St. The place closed because the Mokena State Bank, which owns the property, did not renew the lease.

A spokesman for the bank said no definite plans have been made as to what use the property will be put--whether it will be leased, or dismantled.

Last Saturday the furnishings and accessories of the tavern, including wines, cordials and spirits, were auctioned off by Norman Strassenberg for the former operator, Richard Frana.

Manager Resigns

ROMEOVILLE--Ray Hill, Lake Shirley manager, resigned his position effective July 1. Pending approval by District 96 Grade School Board, Hill will accept a position as assistant business manager.

Robert Hill was named to fill his vacancy at Lake Shirley.

Walker Named Fund Drive Chairman

JOLIET -- George E. Walker, president of the Lemont National Bank and the American Aluminum Manufacturing Company, has been named chairman of the Lemont area division of the united hospital campaign to raise \$4,500,000 towards the near 11 million dollar program to expand the communities hospitals, Silver Cross and St. Joseph.

Volunteering as vice-chairman to assist Walker are Edward O. Bossert, superintendent of the Lemont Township School District, Robert J. Kuebler, vice-president of the R.P. Donohoe Company, and Glenn W. McAdam, president, Lemont Bowling Lanes, Inc.

Walker and his group of 71 volunteers are now in active solicitation of the business establishments in the Lemont area--manufacturing and retail companies are to be contacted.

Walker detailed the urgent needs of the two area hospitals.

Walker stated, "It would cost us at least a million dollars to begin a small hospital of our own in Lemont, then how would we staff it? The current trend in hospital and medical care is to have treatment centers for health care--our center is established in our two ex-

cellent hospitals, Silver Cross and St. Joseph.

"Instead of our having to raise a million dollars to build a hospital we can invest in the two present area hospitals and let everyone in Will County know the people of Lemont community want and appreciate good hospital and health care."

At the kickoff meeting it was announced \$6,250 has been pledged by the Lemont National Bank! George Walker announced \$2,000 and John Ludwig pledged \$1,500. Commenting on this action Glenn W. McAdam, vice

chairman said "this is backing up your belief."

Vance Cummins, vice president of Joliet Federal Savings and Loan Association and vice chairman of the Joliet Regional Hospital Development Association, conducting the hospitals' fund drive for \$4,500,000, at the kickoff said, "it is our consensus that the hospital fund drive is the most important problem facing the people of the Lemont and Will County community today and must be supported generously by every business in-

stitution and every individual."

The inadequacies of hospital care in our community has long passed the critical stage and the only way correction can be accomplished is through the success of your efforts to share your responsibility to help make our drive succeed.

"As this is a united drive of our two great hospitals so must we the residents of Will County unite to support and expand these facilities for our own selfishness and the good of our

families."

Success of the campaign to raise \$4,500,000, to be divided equally between Silver Cross and Saint Joseph Hospitals, will make possible the expansion and modernization of the two institutions at an expected cost of \$10,777,547. The balance of the funds will come from long term financing and other hospital's monies.

To date county businesses, industry, organizations and individuals are supporting the united hospital campaign and have pledged \$2,076,000.

District 205 Sells Tax Warrants

By Louise Schaller

LOCKPORT -- The possibility of no funds to meet a payroll on Friday was overcome when tax warrants were sold. This was discussed at Thursday's Dis-

trict 205 High School board meeting.

Permission was granted to Lockport Township Park District to use West athletic field.

Several courses were eli-

minated from the summer school program due to lack of enrollment.

Summer driving programs are well attended. East-Central has 250 enrolled with six instructors and West has 160 with four instructors.

Students entering District 205 schools in the 1968-69 school year were 392. There were 686 students who dropped out. Concern about finding a solution to reducing the drop out rate was expressed by Superintendent Harold Scholle.

Recommendation for employment were:

Faye Elaine Armstrong, business education, West; Gary Lewis Armstrong, psychology, Central; John Parak, social studies, West; Barbara Ann Lindsay, girls' physical ed., West or Central; Carol Nimms, English, East; William Parmentier, boys' physical ed., head basketball coach, West; William Rumchak, drivers' ed., West; James Terry Shull, English, Central; and Diana M. Sula, Mathematics, West.

Buccaneer Days

LOCKPORT - Buccaneer Week is being held June 30 through July 3 at the park district playgrounds.

Highlight for the week is a costume party. Other events during the week will

be a buried treasure hunt, scavenger hunt, and a hobby and handi craft show.

Tournaments for the week are the 50 and 75 yard races and relays, and the 200 yard and shuttle relay.

To Eliminate Dangerous Naperville Road Curve

By Louise Schaller

ROMEONVILLE - A special meeting of the Romeonville village board, called to discuss improvement of Naperville Rd., was held June 24.

The Board approved a contract for this improvement. A dangerous curve will be completely eliminated. Traffic will leave Naperville Rd., enter Luther Dr., and travel Normantown Rd. east to Rt. 53.

Two traffic signals will be installed. One will be placed at Luther Dr. and Normantown Rd., the other at Rt. 53 and Devonwood Dr.

Sidewalks will be instal-

led on the west side of Luther Dr.

Mayor John O'Hara asked board members to approve the appointment of William Bessette as mayor pro-tem to preside at a meeting when Mayor O'Hara is vacationing.

The board named Richard Kowalski to the recreation board.

Harry Betzel, chairman of the building committee, was authorized to contact Bolingbrook and Plainfield officials regarding payment for the use of Romeonville's court room facilities.

Tentative plans have been made to move the judge's bench into the present coun-

cil chambers, and convert the room now being used for traffic court to a meeting room for the use of trustees.

The next regular meeting of the Romeonville Village Board will be July 2 at 7:30 p.m.

Recreation Curtailed

ROMEONVILLE -- Poor weather curtailed much of the boys' softball and baseball last week. Ninety per cent of the games were postponed due to wet ball diamonds.

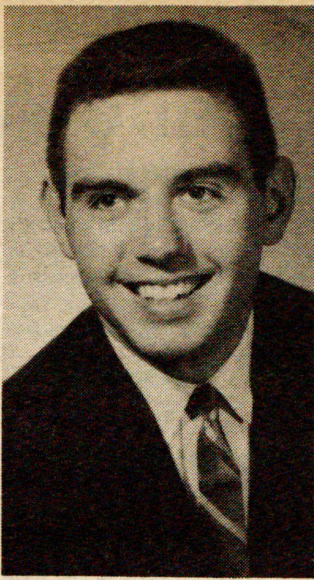

Bad weather also affected the attendance at the weekend fish out. Grady McAnnally, 742 Union, won a rod and reel for catching the largest fish, a one half pound bluegill.

Teenage ceramics at West View continued to grow with 35 participants.

Swimming lessons finally got underway. Second session begins July 15 and parents may still register their youngsters. Call Lake Shirley, 838-7833, for specific times.

Special education swimming for the handicapped began last week. Lessons are held on Tuesday and Thursday from 10 to 11:30 a.m.

Richard Kowalski and Marion Wagner attended their first board meeting June 25. Board committees and general operating procedures were discussed. Director John Strobbe was requested to get price quotes for signs at St. Andrew's, Lake Shirley and the new Jaycee Park.

GEORGE A. BODE, son of Mr. and Mrs. Charles C. Bode of 1007 Jefferson St., Lockport, has recently been appointed to the U.S. Coast Guard Academy in New London, Conn. He will undergo "swab summer" indoctrination until September. Included is a two-week cruise. The course of study will cover four years, and will lead to a bachelor of science degree and a commission in the Coast Guard.

Voters Deny Request For Tax Increase

LEMONT -- A request for an increase of 21 cents in the educational tax rate was denied by voters in School District 113 of Lemont, 753 no to 122 yes. A total of 11 spoiled ballots were counted.

School officials requested the increase to help meet the needs of securing additional funds in order to avoid financial chaos. They reported that a deficit of \$125,000 will be realized by the district.

Rumors have been circulated that the board plans another referendum. Upon discussion with the school, it was learned that immediate plans for another referendum have not been made.

SOUTH DAKOTA--James Johnson has been accepted for admission to Augustana College, Sioux Falls, South Dakota, for next year.

SUSAN KRUSEMARK, daughter of Attorney and Mrs. A.H. Krusemark, of Frankfort, who graduated from the U of I with a BA degree with a major in history and political science, will do post graduate work at the University of Colorado, at Boulder, this summer. She is enrolled in the college of fine arts and will be majoring in interior design.

Chamber Plans Golf Outing

LEMONT -- The 25th annual Lemont Chamber of Commerce golf outing will be July 16 at Cog Hill Country Club. Tee-off time is 12 noon.

Tickets are available at the Strand News Agency. They are \$7.50 for the golf ticket, and \$7.50 for the dinner ticket. Dinner will be served at 7:30 p.m. Prizes for golf will be presented.

Entertainment for the evening will be provided by Bob Baxter, comedian. Among Baxter's credits are appearances on the Ed Sullivan Show, at the Latin Quarter in New York, The Mint in Las Vegas, and Eden Rock in Miami Beach.

Chairman for the 1969 outing is Frank Habash. Chairman of the entertainment committee is Bodie Laubhan. Helen Starr, accordionist, will play during the cocktail hour and the dinner hour.

Receives Storm Damage

JOLIET -- Fehrenbacher's Women's Apparel Store, located at 159 Ottawa, Joliet, was among the stores in the Joliet area that received slight damage during the storm on June 29. Business at the store will be conducted as usual.

Discuss Road Referendum

BOLINGBROOK -- Lengthy discussion on the referendum set for the Briarcliff Road program was held by the trustees of the Village of Bolingbrook at their June 11 meeting.

Engineer Ronald Henshaw was instructed by the board to figure the cost of curb, gutter, sewer and drainage, scarify, roll and apply A-1 surface to Briarcliff Rd. to Rt. 53. He will also figure the cost to units in the Kaufman and Broad subdivision at the same time.

President Robert Shanks reported that Benjamin and

Lang, consultants, were consulted to help the village get established in the area of financial consultants, in respect to the Briarcliff Road referendum.

Martin B. Lang, of the consultant firm, submitted a letter to the board in which he stated all the services offered by the firm as financial consultants.

According to his letter, studies will be made recommending methods of financing, and submission of suggested bond retirement scheduled, projected tax rates and other financial data re-

lating to the proposed improvement will be submitted.

In return for their services, the firm will be paid, 1/4 of 1 per cent of the total bond issue or \$3,000, whichever is less.

The referendum is to be conducted on the \$400,000 proposed street improvement program set by the board of trustees.

Date of the referendum has not been established as yet. Further information may be obtained through the village office, or at the next regularly scheduled board meeting.

De Paulo, Village Board Still Have Differences

MOKENA--The Mokena village board and Joseph DePaulo are still at odds. It came out at the recent meeting of the trustees.

DePaulo was reportedly prepared to sign an agreement with the village to continue to collect rent for 10 months on a house he owns next door to an apartment he built on First St.

At the end of that time he was to tear the house down to make room for parking space required for multiple dwellings and in the meantime permit use of the backyard for parking by apartment tenants.

Now, on advice of his attorney, DePaulo told village officials he declines to sign the agreement. This has caused the village to revoke DePaulo's building permit, and to refuse him an occupancy permit until he and the village are in accord. Originally, the village claims, DePaulo illegally agreed to tear the house down but later he leased it.

Wayne Ryder, whose probation period as chief of police expired July 1, has been hired as chief with an increase in pay for the next six months.

Jon & Ron Excavating Co. bid of \$6,212.50 was lowest of three submitted for running a sewer line to the complex being built on 195th St. by Alford Feeley. Blaine Saxton, of Mokena, submitted a bid of \$7,451 and Hul-

ett Corp., of Oak Forest, asked \$7,034.

The plan commission has asked the village board for a recommendation as to acceptance of new plans submitted by Feeley with a cul de sac in the middle of his development for the parking of all cars.

Whether this would mean the village would be responsible for maintenance of the street or streets and responsible for snow removal was discussed. The board members do not want to have the village responsible for this roadway.

Trustee Anthony Dina asked Village Clerk Alvin Sorensen to prepare a memorandum to the effect that beginning July 1 a \$3 fee will be charged for each building inspection and since the usual number is 10 then the fee would be \$30, payable in advance. Any further inspections or re-inspections would cost \$3 for each, payable in advance.

Village Attorney George Sangmeister informed the board that if it wished to pursue the matter of purchasing land along Front St. from the Rock Island Lines and Sheldon Hauck the ordinance providing authority to the village board to pay taxpayers money for this purpose will have to be repleased.

The Mokena State Bank cannot make a loan to the village to buy the land, ac-

cording to their attorney, Sangmeister said, because there was some error in the publication.

Cadet Cottingham, who has been quite active in support of the mall project, is to check with the railroad relative to the price of the land and report back at the next meeting of the village board.

Appointment of Durward Fant, to another four year term as village treasurer, was made by Mayor Will

Tuttle and confirmed by the board.

Trustee Kenneth Warning's proposal to lane Front St. near the intersection with Wolf Rd. was approved. West bound traffic would go straight head or turn right from the right hand lane and turn left only from the middle lane.

There will be no parking on Front St. for 170 feet on the south side of the street, and for 150 feet on

the north side. Attorney Sangmeister is to prepare the necessary ordinances.

A letter from Walter Yunker, township highway commissioner, suggests that the county, the village of Mokena, and the Rock Island Lines share in the cost of repairing the Schoolhouse Road crossing.

Meanwhile, Warning's letter to the Rock Island asking the road to repair the other crossings in the

village "is in channels," he was informed in an answering missive.

Sangmeister informed the board that it could start repair and remodeling work on the former Lutheran Church building anytime it is ready. The library occupies the ground floor, the village will use the first floor for a village hall, and a great wad of bees is occupying inner spaces on the north side of the buildings.

UNIROYAL, contractor operating the Joliet Amy Ammunition plant, was cited last week by the Community Action Agency for innovations in employment and education programs. The agency operates six community centers in the Joliet area. Uniroyal has brought a mobile employment office into disadvantaged areas and also provides schooling for persons hired. Mrs. Johnnie Sims, a center director,

left, congratulates Chester Galuska, Uniroyal employment section supervisor. Others cited in ceremony are, from right, Willie Boyce, Uniroyal industrial relations assistant; Matthew Withers, Illinois State Employment Service, and E.H. Baumer, Uniroyal industrial relations manager. (GRAPHIC Photo)

Canal Office To Close July 1

LOCKPORT - Illinois and Michigan Canal office at Lockport was permanently closed effective July 1, Illinois public works director William F. Cellini has announced.

Cellini said the closing will result in an estimated \$150,000 annual savings in personnel and administrative costs.

James Hall of Joliet, who was appointed superintendent of the canal office on Feb.

1, recommended that the office be closed. A task force appointed by Gov. Richard B. Ogilvie made a similar recommendation in January.

Hall, a professional engineer, will return to private employment. Cellini appointed Hall to the \$1,000-a-month superintendent's post with the understanding that he would be asked to study the feasibility of phasing the office out of existence.

In recent years, the Lockport office has been concern-

ed solely with inspection and minor maintenance along sections of the canal and with bookkeeping functions. Those functions will be transferred to division of waterways offices in Springfield.

Chief Waterways Engineer John C. Guillou said the five employees of the office have been notified of the closing. They will not be reassigned within the division of waterways, he stated.

Cellini said recommend-

ations regarding the disposition of the state-owned office building and surrounding land are being studied and a decision is expected soon.

Urges Early Registration Of Grade School Pupils

Katharine Heisner
Telephone 469-5187

A definite period has been set aside for registration of new pupils in Frankfort grade school system next fall, Aug. 18 to 23. But it is not necessary to wait until then. As a matter of fact school authorities hope that registrations will have been completed before then.

The school office is open from Monday through Friday, 9 a.m. to noon, and 1 to 4 o'clock in the afternoons. Parents are invited to come in and register their children who will attend school next fall.

There are certain forms that have to be filled in by parents and they will be available at the school office.

School officials also reiterated that all pupils entering school for the first time, kindergarten or first grade, all pupils entering fifth grade next September, and any new pupils from out of state, must furnish evidence of recent health and dental examinations. According to state law no pupil in such categories will be allowed to attend school until they furnish such evidence.

OPINION PAGE

Independence Day, 1969

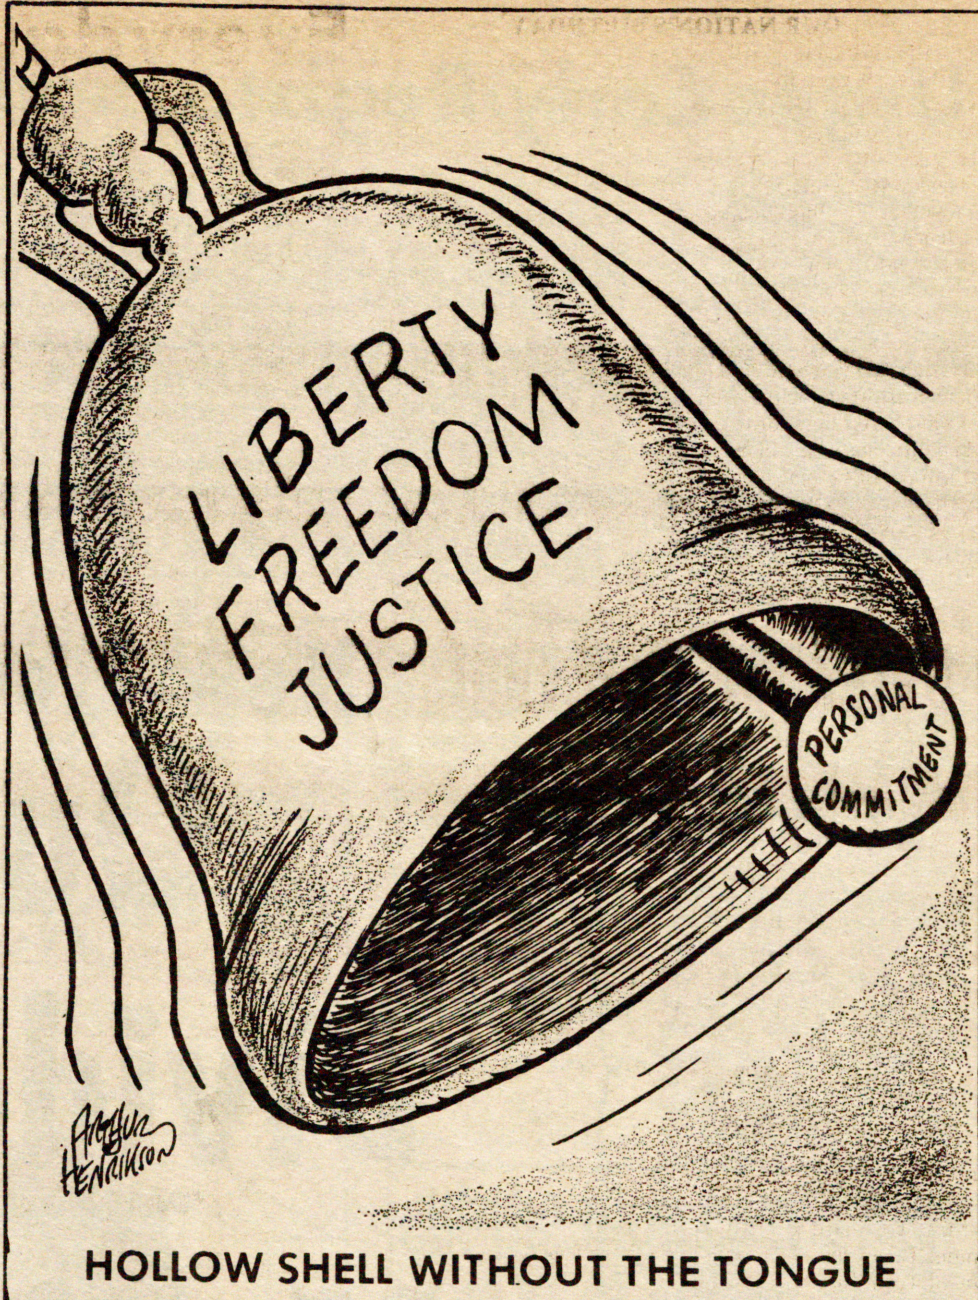

Whatever stresses we face today fade into comparative insignificance when one contemplates the events of those turbulent times that led to the signing of the Declaration of Independence and our observance of the Fourth of July.

Back in 1776, life was short and far from tranquil. Many people of that day were hardly aware that they were presiding over the birth of a nation. Sectional interests were rampant. If there was a sense of destiny, it was confined to a few visionaries. Only with the passage of the years did order grow out of seeming chaos.

History leaves the impression that there was one unifying force that nourished the growth of the infant United States—that force was a common desire for freedom, for independence.

This force from the beginning has manifested itself in our indomitable belief in such things as the superiority of the individual, freedom of speech, freedom of religion, freedom of the press and freedom to own property. These are among our most cherished unalienable rights.

They are the reason for Independence Day. Fly your flag proudly on July 4.

Everyday New Lenox Flag Day

Our nation is having a birthday,
July the 4th is the date.
As we're privileged to live here,
We're happy to help celebrate.
The Declaration of Independence,
Was adopted on this day too,
So together with this document,
We'll commemorate the two.
Let's declare a new way of living,
By treating everybody the same,
Regardless of race or religion,
Not by cheating, to gain acclaim.
Let's fight to overcome corruption,
Channel efforts to help everyone,
We want better laws for taxation,
And politicians who will get things done.
Let's make this a real special birthday,
So when we see 'Old Glory' proudly wave,
Our country will have better standards,
And we'll keep our land free and brave.

Fireworks Can Kill

Fireworks that find their way into the hands of children each July 4 take a toll. Especially concerned is the Illinois Society for the Prevention of Blindness.

The society warns that fireworks are illegal, but says the greater concern must be for injuries the explosives cause.

Fireworks get into the hands of children through "bootlegging." Materials

come from other states, and often they are in a form children can't recognize.

An example is "crackerballs," which are brightly colored pea-sized firecrackers that explode when children have even swallowed them, thinking they are candy.

The society warns parents it is "of the utmost importance to constantly be on the alert."

NEW LENOX--The main east-west thoroughfare thru New Lenox has several names--Lincoln Highway, U.S. 30 and Maple St. Now it could become the Avenue Americana as a result of a project of the New Lenox Lions Club.

The Lions have spent some \$5,000 to line the highway on both sides with the National Colors. They have purchased 120 flags, and 120 metal poles to fly them, for a permanent display. The poles are 60 feet apart and are on both sides of the roadway.

At 4 o'clock the afternoon of July the Fourth a dedication ceremony will be conducted at the Lincoln-Way Shopping Center. There will be a band, made up of musicians from the New Lenox grade schools and Lincoln-Way High school, directed by Tom Goodwin, music chairman of the grade school system, and the Marine Corps will furnish a Color Guard, according to Attorney Larry Wennlund, who is on the publicity committee.

Mayor Joseph Hartung and members of the village board, the Lion Club, the Association of Commerce, the Harry E. Anderson Post, Veterans of Foreign Wars, and township officers will participate in the ceremony and the public is invited.

"New Lenox is proud of America," Wennlund said, "and wants everyone passing thru to know it."

According to Wennlund under present regulations the flags will fly day and night. 888

Visit Florida

LOCKPORT -- Miss Laura Keselarr, of 167th St., in Lockport recently visited the state owned Ringling Museums while vacationing on Florida's lower west coast.

From A Younger Pen Never, Never Again

Quoth the Raven: Nevermore!! Little did Edgar Allen Poe realize that his little black feathered friend would have the best advice in the world.

Every year millions of Americans, myself included, make a list of silly, never to be remembered New Year's resolutions. This is great, if you are disciplined enough to follow them. Usually, with luck, I can keep mine for about a week, or even a week and a half, that is if I'm on my toes.

This year with the beginning of summer I have decided to make my list of do's and don'ts for the rest of the year. (With a little help and guidance I might be able to make it though to the end of June and keep them.)

Do not under any circumstances ever volunteer to chaperone a party. Heaven help the poor person that does this. I figured that I was being the big hero type all-American kid when I volunteered to help with a birthday party. The only thing that I had in my favor was the fact that the kids were between ten and 12 and fairly well-behaved, so I thought.

We went to an indoor ice skating rink, at which time, upon arrival, I discovered much to my dismay, that only four of the 12 at the party knew how to skate.

Have you ever tried to hold up eight kids at the same time? One would fall and all the rest would just have to follow suit. I personally hadn't been on skates for at least a year, so this was quite an afternoon of exercise. It was great, until the ride home came.

I made the big mistake of driving our little 'friends' to the rink. I must have had at least six different directions to different houses before I realized that they were steering me around in circles, just for the fun of it. Quoth me -- Nevermore!

Next big NO-NO on my list is -- never fix dinner for your friends! This one

can really get you into a lot of trouble, especially if you cook like I do. As long as the freezer and oven work I'm alright, but they will never co-operate when you really need them.

I decided to have a few friends over for a quiet little snack. Then it happened, the freezer was empty and I had to make something. I actually had to throw together something that would look presentable and edible at the same time. Heaven help my poor guests. I think that night stock in alka-seltzer went up by ten points.

You can always tell when you are a "Betty Crocker reject," people eat your meal just to be polite. How can you tell? Very easy -- they lie right to your face. They may claim that they love it but that they are too full for the second helping -- that's when you know you have caught them in the middle of a big fat lie. I know it has happened.

A big don't on any girl's list is -- do not try to keep two dates at the same time. Never, never try to see two different guys at the same time, especially the same day. I tried and it didn't work out.

I really thought that I had the system licked when I made the dates, one for breakfast, the other for the afternoon. I figured that I would have at least an hour to spare between them. I didn't and I got caught. Well, it was fun trying.

The only bad thing about the two dates at once is the ultimate reaction of both males involved -- they get a shattered ego thinking that you would want to spend time with anyone but them. Little do they know, right girls??

I could go on for hours about the do's and don'ts for the year. I have already broke two of my don'ts right now -- I invited two guys over for dinner that I will prepare. Heaven help their poor stomachs. I'm sure that they will agree with the Raven: NEVERMORE!!

Across The Editor's Desk

By Ann Karkut

HAVE YOU ever given serious thought to having your schools operate on a 11 or 12 month basis? At the present time, District 96 Schools in Romeoville are working out what they call their 45-15 plan which is the 12 month school program.

IN A REPORT from the University of Illinois, they say that efficiency, enrichment and employment are three oft-cited reasons for year-round school.

MOST COMMON reason cited is economy or greater efficiency. Some communities such as Lockport also offer summer programs to enrich the school experience for students and to provide make-up time for those who failed courses. A third purpose is for full year employment for teachers allowing full utilization and development of a professional staff.

SUMMER SCHOOL tends to be the least disruptive to tradition and is usually the most favored form of an increased school year. Rotating trimesters or rotating quarters are generally proposed by persons interested in getting the greatest use from investment in buildings and equipment.

SOME ANTICIPATED savings are offset for, in addition to the need for scheduling maintenance more tightly, the year round operation calls for administrative staff to carry the additional load thus put on a group already working on a 12 month basis. If air conditioning is needed, this usually represents an extra cost.

SOME EDUCATORS claim that in operation the rotating plan actually costs more for the educational services returned.

OTHER PROBLEMS are the assignment of teachers and students to certain trimesters or quarters including complications of family vacations, summer employment of students and the density of pupils along school bus routes. Unless the staff is required to teach all trimesters or quarters, an array of teachers for the additional students must be added along with adequate office space, supervision and materials.

ANOTHER IDEA has been for each student to attend the full year with short vacation periods. In such a situation, there would be less emphasis placed on passing a grade or subject and more on the development of the individual.

DIFFERENCES in athletics and other activities would be worked out in a rotating or year-round education program.

IN THE FEW experiments reported to date with year-round attendance, no effects of student fatigue have been noted. Learning development as related to instructional time does not yield any significant difference for either traditional or year-round attendance. However, there is some evidence that slow-learning pupils do better under continuous year-round attendance and that emotionally disturbed youngsters are under better self-control with continuous attendance.

EXTENDED SALARIES would represent an additional 20 per cent and that rate for the full year would be competitive with salaries in other fields into which human resources have been attracted.

MONEY TALKS as the old saying goes and this fact alone might do much to attract more people who are fully committed to teaching as a lifetime career.

HOWEVER, year-round school might present some public relations problems and the summer camps, recreation programs and youth-serving agencies would be affected and adjustments made.

MOVE SLOWLY is the recommendation of this report. Any experimentation on the year-long school will have to move forward on a gradual basis. This type of program should be approached as one of great rather than minor educational change--especially of change on the part of teachers for the sake of a fuller level of professionalism and a better educational arrangement for pupils realizing, not in savings but in gains, a greater efficiency in the use of school dollars. I'll buy that, how about you?

Park District Activities

LOCKPORT - Transportation week was June 16 to 20 on the Lockport Park District's summer playgrounds. Highlight of the week was the bike parade in which all playgrounds participated.

Winners in this event were, from the athletic field, Mary Ann Bazzani, for the prettiest decoration; Susie Wrona for the best decorated; John Wincek for the most original, and Sharon Wrona for the cutest design.

Officer Dennis Fitzgerald of the Lockport Police Department conducted the athletic field's bicycle safety check, which determined who qualified for the Bicycle Safety Certificates.

Kelvin Grove bicycle decoration winners were Jeanie Reiter for the cutest bike; Don McCowan for the most

colorful; Ken Brill for the best use of crepe paper; Janet Singletary for the cutest; Dave Skuta for the best decorated, and Jeff Howell and Ricky Galik for the best wheels.

At Dellwood Park, winners are Julie Antonucci for the best decorated; Tana Rutkiewicz for the most colorful; Michelle Murray for best psychedelic; Becky Hoscheit for most original; Janet Ward for the prettiest umbrella bike; Brian Rex for the most attractively decorated; and Mike Carlson for the best red and white decorated.

Other events during the week were Doll and Model shoes at Westside, Dellwood and Kelvin Grove; and Central playground took a tour of the Lockport Police station.

Riding Club Holds Its 11th Benefit

The 11th annual shows of the New Lenox Riding Club were well attended, as usual, as the number and calibre of the entries make them popular events. Proceeds from the show go to Trinity School for the mentally handicapped.

There were two showings, the society show one day and the western show the next.

Jumpers, an Arabian class, the gaited saddle horses, and the harness horses gave color to the society show. Two first places went to area riders, Nancy Falck, of New Lenox, in the English Pleasure class, and Paul Adams, of Frankfort, in the Junior English Equitation class.

Winning entries were from various parts of Illinois and Indiana.

The grand champion stallion was shown by Jess Cecil,

of Akron, Ohio, and the reserve champion by Ken Ecker, of Granger, Ind. The grand champion filly, and the reserve champion were shown by Cheryl Acker, of Pacific, Mo.

Jerry Ritter, of Gurnee, Ill., had the champion gelding and Melinda Shop, of McHenry, Ill., the reserve champion.

A horse shown by Ed Henry, Lemont, was third in the model Western stallions.

In the open flag race, Chuck Shroba, New Lenox, finished second, and he was third in the barrel race. Ed Swierz, Manhattan, won the AQHA barrel race and Bill Mohny, Lockport, was second. Mohny was first in the open speed and action class. L. Rohland, New Lenox, was

third.

Leslie Groebe, of Lockport, was second in the open costume event, and James McCoy, Frankfort, was third. Rich DeWitt, Lockport, was second in the open handy horse class.

Ed Fear, Manhattan, was third in the open arena race: Kay Schults, New Lenox, was third in the open senior trail class, and Kathy Hentch, New Lenox, third in the open junior trail. Kathy Prenta, Mokena, was first in the open children's trail event.

Michael A. Turechek, 131 Roberts Rd., a senior at Lincoln-Way High School in September, is one of 40 high school students participating in the special science training program at Knox College, Galesburg, June 23-Aug. 1. The program is conducted by members of the chemistry,

physics and mathematics-computer science departments at Knox and supported by the National Science Foundation.

Drew Kleinhoffer, 535 Thomhouse, a freshman majoring in biology at Millikin University, Decatur, Ill., was named to the dean's list. He is the son of Dr. and Mrs. Robert Kleinhoffer.

The Harry E. Anderson Post 9545 VFW will meet at the Post home, 323 Old Hickory road at 8 p.m., Thursday night.

Teen-Tops will meet at the Methodist church basement Wednesday night at 7 o'clock, and the Tops Club will meet at 7:30 in Fellowship hall.

Tri-Kena Neighborhood Scout group will meet today (Wednesday) at 9:30 a.m. in St. John's Church, Mokena.

Alcoholics Anonymous will meet at Providence High-school tonight (Wednesday) at 8 o'clock.

The New Lenox Ministerial Association has canceled its meetings for the summer months. They will hold a planning meeting in September at the First Baptist Church in the Lions hall, on South Cedar Rd.

Gumbel T. Bradle, 650 Thornhouse, New Lenox, received a juris doctor degree in law at the University of Illinois commencement.

To Attend ISU

LOCKPORT--William J. Sullivan of Rt. 1 and Bruce Rd., Lockport, is one of 60 teachers who have been selected to participate in a concentrated three week program in adult education, which will be conducted at Illinois State University July 7 to 25.

Mixing Barbiturates and Alcohol Lethal

Copyright 1969 World Book Science Service

Never mix barbiturates and alcohol.
Never take both the same day.

The combined effect is deadly -- not always fatal, but devastating to normal health and functioning. Taken together, they act upon the central nervous system, especially the brain to destroy nerve cells that cannot be regenerated.

What's New In Medicine

BY BETTY JOHN

Both are chemical poisons that overburden the liver's function, thus hastening the onset of cirrhosis. Inevitably, they affect the heart.

A single shot of whiskey

to wash down a single 1 1/2 grain capsule of a barbiturate -- tranquilizers, sedatives, pep pills, hypnotics, etc. could be fatal. But more often it acts like a Mickey

Finn, an effect some drinkers seek, hoping to find "oblivion from the woes of the world."

The greatest segment of the insomniac (sleepless) population is made up of habitual drinkers. Alcohol, though a depressant, contains an agent which often stimulates certain brain centers that inhibit sleep.

When drinkers take barbiturates, which are also depressants, they compound the trouble.

Barbiturates are also habit-forming. Many drinkers, who at first can get to sleep on a single capsule plus a drink, soon find they have to take two and even three capsules at a time.

Since the kidneys are not able to throw off so much toxin, the effect is cumulative.

If it is dangerous to drive a car under the influence of alcohol, it is doubly dangerous to do so under the influence of barbiturates. Barbiturates dull the senses, slow the reasoning processes, inhibit reflex action, and impair judgement.

A single one - and - one - half grain of barbiturate can slow a person's performance

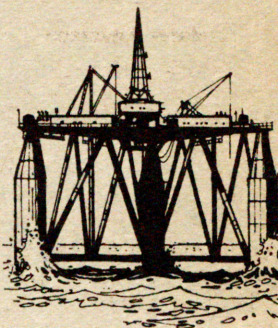

as much as does one pint of a high - proof whiskey. The accident rate both on the road and on the job is proportionately higher for those who have taken the two.

CONTROL MOLECULES
Drs. Walter Gilbert and Mark Ptachne of Harvard University have isolated "repressor molecules" which control the thousands of genes in the human cell, switching them on and off as needed.

VACCINE FOR WARTS
Dr. Morris Pollard of Notre Dame University has successfully cured warts by using a vaccine made from the individual's own warts, which he excises. Three or four weekly injections of the vaccine dries up the lesions.

GAS

FOR BRITAIN

Natural gas fields were discovered in Yorkshire and in the North Sea off Britain's shores in the 1960's. These fields, already in production, are expected to supply the British with about two billion cubic feet of gas a day by 1970.

Bacteria Attack Follows Pipeline

Copyright 1969 World Book Science Service

Bacteria are tiny organisms, some of which can cause disease.

Nobody ever thought about bacteria causing problems in pipelines, but that's just what was happening in a power plant in Tasmania, an island near Australia.

The Tasmanian engineers had been having trouble with pipelines carrying water to a generating plant. In about a year, a strange deposit about a half-inch thick would build up on the inside of the pipes.

Over a few years that could spell real trouble. Cleaning out long pipelines is neither easy nor cheap!

When studies were performed on the deposit, scientists learned that the stuff was mainly manganese.

Manganese is a relatively rare metal and it was really puzzling that it should turn up on the inside of the pipes.

It seems that the pipelines were acting as a breeding ground for bacteria.

The lake water flowing through the pipes carried some bacteria and a very, very tiny amount of manganese, along with other chemicals.

Over a period of time, enough bacteria of just the right kind evolved. They deposited themselves on the walls of the pipes and fed on the stuff in the water.

These particular bacteria produced almost pure manganese.

Now that scientists have figured out how to solve the Tasmanian pipeline problem, they're working on putting the trouble-making bacteria to good use.

Perhaps they could be used to recover some of the huge amounts of metals that are dissolved in the oceans.

Can you help the bacteria find their way through the pipeline maze to the lake?

Dual-Purpose Sunglasses

Eyeglasses that darken in outdoor light, but become clear again indoors and at night are now available.

Developed by the Corning Glass Works and obtainable only on prescription from eye doctors, the lenses automatically darken when exposed to the ultraviolet rays in sunlight and regain their original transparency when not so exposed.

Utilizing a scientific phenomenon called photochromism, the lenses contain light-sensitive silver halide microcrystals which are transparent until stimulated by the ultraviolet rays into serving as color centers.

The reaction is similar to that which takes place when light strikes the emulsion of photographic film, which also contains silver halides. When the film is developed, however, the darkened image is fixed permanently.

In photochromic glass, named "Photo-gray" by Corning, the microcrystals are locked in a rigid, impervious and chemically inert material by the ultraviolet rays, but the process is completely reversible as the glass is removed from the radiation.

Open Letter from the HIRSCHS'

Dear friends,

Occasionally a visitor will ask, "Is all this equipment necessary?"

Yes, much of it is necessary to fulfill state requirements in embalming. Other equipment is essential to keep up to date in providing the quality service our community has come to expect.

Visitors are welcome and are invariably impressed with the facilities required to operate a modern funeral home.

Respectfully,

A FORUM ABOUT MATURE WOMEN

BY MARGARET BROOKFIELD

Dear Miss Brookfield:

I am past 65 and am secretary to the head of a large company. I started at this job as a girl. My elderly employer now plans to retire due to illness, and I will have to retire, too, but I am not looking forward to it.

I have lived alone for many years. I have a widowed sister living at some distance from this city, and she is begging me to share her home when I stop working.

I have only a few casual friends in this city and would like to join her. But I also prize my independence. What do you suggest?

M.S., Los Angeles

Dear M.S.:

I suggest you try Ben Franklin's solution for solving a dilemma. On a sheet of paper divided into two columns, list the pros and cons of your sister's offer. After canceling out those of equal value, the remaining ones will really help you arrive at a sound judgment.

There are many arguments for and against your sister's offer. First, you apparently cherish old habits born of years of independence: the freedom to eat, nap or do whatever pleases you. So remember that living with others, whether a sister or a family, requires concessions on everyone's part to avoid friction and even chaos.

But take into account that you have only casual acquaintances in your own city. Your sister will at least provide company, as well as a helping hand to brew a cup of tea when you're bedded down with a cold.

Be sure to be frank about whatever reservations you have about your relationship with your sister. If it were really a warm one, I doubt that you would hesitate at all to accept her offer.

Surly Husbands

Dear Miss Brookfield:

I know my husband reads your column so I hope he'll see this. Why is it that all the advice about being kind, sweet and gentle is directed at us women? Shouldn't this apply to men as well?

We're supposed to be sweet when all sorts of things have gone wrong and upset us during the day -- the dishwasher overflowing, the plumber who failed to show up, and a son sick with a virus.

But just let a few minor problems crop up at the office and husbands think they're entitled to come home surly, grumpy and ready to take out their complaints on the family. I don't think it's fair. Do you?

K.C., Portland, Ore.

Dear Mrs. K.C.:

I am with you 100 per cent. And if your husband reads this and still doesn't try a little TLC (Tender, Loving Care), I suggest you tack a note to the front door: CYPFH (Check Your Petty Problems Here).

Pet Problem

Dear Miss Brookfield:

I am in my 50s, unmarried, and live with my elderly mother. We would both like a pet. Our problem is this: she wants a cat and I want a dog. What shall we do to resolve this argument?

R.O. Danbury, Conn.

Dear R.O.:

Make up your minds quickly, before you start fighting like cats and dog.

Have you a problem as a mature woman, or with one? For advice and help write to Margaret Brookfield, Graphic Newspapers, 200 Main St., Lemont, Ill. 60439

DIANE BEYER - Mr. and Mrs. Alfred C. Beyer of 313 N. Lincolnway, Aurora, announce the engagement and forthcoming marriage of their daughter, Diane Joyce, to Thomas Francis Wirth, son of Mr. and Mrs. Kenneth Martin of 107th and Archer Ave., Lemont. Miss Beyer is presently employed at Tri-County Publishing Company, Lemont. Her fiancé is employed by Jim Graham Oldsmobile in Joliet. The wedding will be held at a 3 p.m. mass on Sept. 27 at St. Patrick's Church, Lemont.

ROSE ANN HACKER and Richard Day will exchange marriage vows July 19 at the DuPage Presbyterian Church, Joliet-Naperville Rd., at 7 p.m. All friends and relatives are invited to attend both the wedding ceremony and the reception, immediately following in the church. Parents of the bride-to-be are Mr. and Mrs. Emerson Hacker of Rt. 3, Lemont. Groom's parents are Mr. and Mrs. William Day of Rt. 2, Plainfield.

FRANKFORT COUPLE--Mr. and Mrs. Clark Bennet-- will celebrate their 45th wedding anniversary July 13. They will greet their friends and relatives at an open house to be held from 2 to 5 o'clock in the home of their daughter, Mrs. M.A. Carson, 834 Gardner Rd. Flossmoor. Co-hosts will be the couple's sons, Clark of Marietta, Ga., and Gene, of Steger. There are six grandchildren. The Bennetts were married July 2, 1924 by the Rev. Gustav Lambrecht, pastor of St. Peter's Church at Frankfort.

White-Klasing Vows Are Recited In Joliet Church

NEW LENOX - Wedding vows were recited by Deborah Sue White and John Christoph Klasing at the Christ Episcopal church in Joliet, on June 7. The Rev. Joseph Peoples performed the double ring ceremony uniting in marriage the daughter of Mr. and Mrs. Clif-

ford L. White, of Lincolnwood Hills, New Lenox, and the son of Mr. and Mrs. C. L. Klasing, 138 Oakview drive, New Lenox.

Miss Loretta Giegerich was organist.

Floral arrangements of white gladioli decorated the altar. The bride was given

in marriage by her father and wore a floor length gown of point d'esprit featuring a high collared neckline and long sleeves.

The gown had a long attached train, and was trimmed in lace. Her nylon veil fell from a head piece of white seed pearl and petals interwoven with pink roses. She carried a nosegay of pink sweetheart roses, white carnations, stephanotis, and baby breath.

She wore a rose gold bracelet, an heirloom that has been worn by three generations of brides in the Klasing family.

Miss Virginia Radd, friend of the bride was maid of honor.

Miss Rebecca White, sister of the bride was Junior bridesmaid, and bridesmaids were, Miss Constance Domke of Valparaiso, Indiana, cousin of the bride and Kathleen Haislet of Mokena, friend.

They were dressed identical to that of the maid of honor.

They all wore silver bracelets, that were gifts from the bride.

The best man was Wayne G. Klasing, brother of the groom, and groomsmen were, David Williams, of Fairfield, Ill., Keith Schram of Frankfort; and Robert Arthur. Ushers were Bill Stanfill of Manhattan; Ray Young of Austin, Texas, and Jay White.

A reception was held at D'Amico 214 immediately after the wedding, with about 100 guests attending.

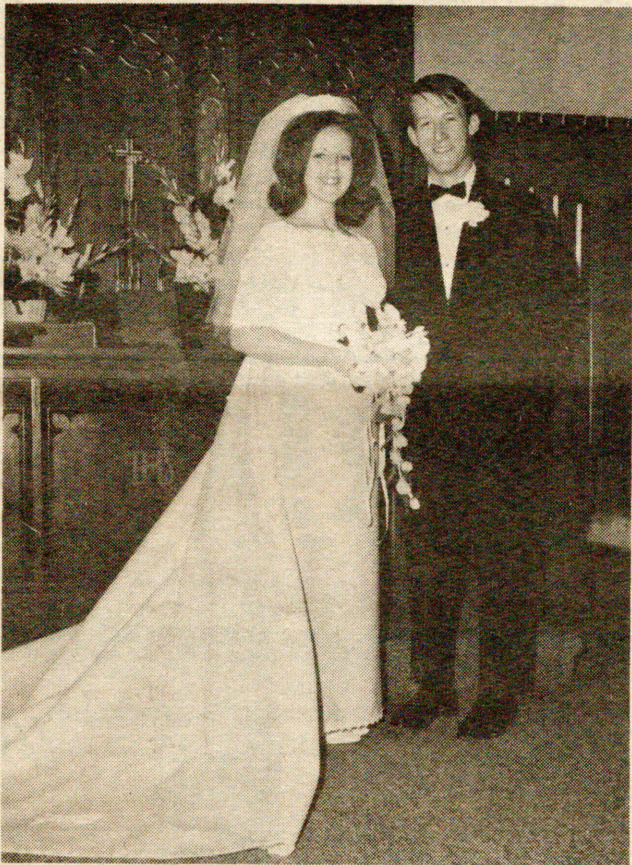

Miss Cynthia Bernhoft had charge of the guest book.

The newlyweds left on a honeymoon trip to New Orleans, and then left for Austin, Texas, where they will live and attend school this fall at the University of Texas.

A rehearsal dinner was given by Mr. and Mrs. Klasing at the Prestwick Country club, and a bridesmaid luncheon was held.

Mr. and Mrs. John Klasing

MR. AND MRS. Scott Stahl, who were recently married at St. Peter's United Church of Christ at Frankfort. The couple resides in Joliet. Mrs. Stahl is the former Kay Schram of Frankfort.

The Arbury Hills Lions

Arbury Hills

Club held a Windshield Wash to help raise money to make their treasury look a little less like a disaster area. It was completely successful with the Arbury residents showing their usual co-operation.

The installation dinner for the organization was held at the Prestwick Country Club June 18. There were 43 present including the guests.

The installing official was

Berle Needham, who was there with his wife. Also included in the guest list were Mr. and Mrs. Randy Kerfoot the district governor of the Lions Club and Mr. and Mrs. Ted Massey of the Lions Club.

The officers installed were Don Wilson Sr., president; Carlin French, first Vice president; James Durbin, second vice president; Bob Nauman, third vice president; Jim Peyton, treasurer; and Don Wilson Jr., secretary.

The board of directors are, for two year directors, Bob Allred and Joe Farnham; for one year directors, Dieter Menzer and Joe Arcuri. The Lion Tamer is Ross Horton and Tail Twister is Dan Markowski.

The organization is planning to have a booth in the annual July 4th carnival and would appreciate patronage.

Play Despite Weather

ARBURY HILLS -- There was an abbreviated schedule in the baseball program this past week due to an assortment of weather conditions, mostly miserable.

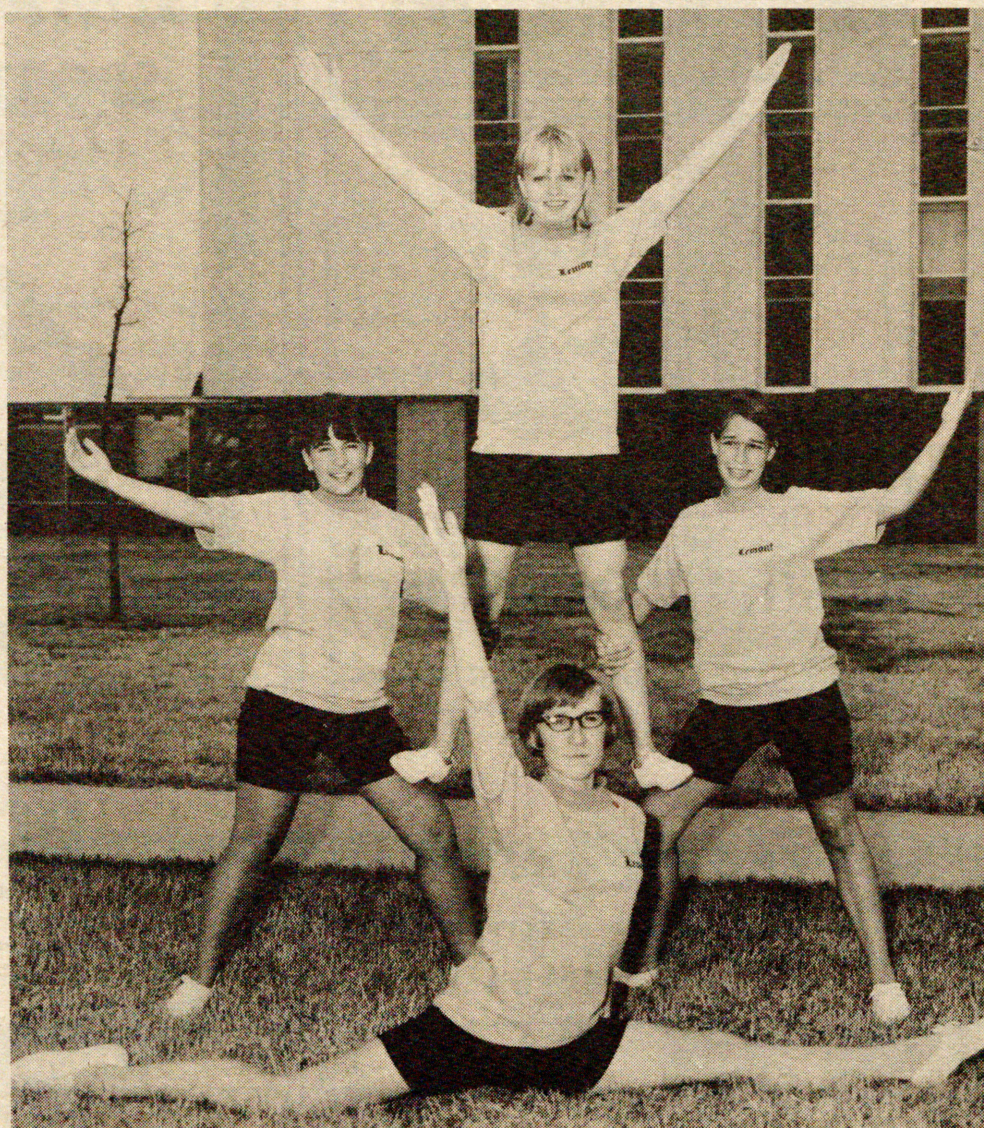

The Pony team played the Manhattan team at our field and a good old-fashioned donnybrook ensued. The final outcome was a win for

Arbury Hills in extra innings by the score of thirteen to eleven.

Blake Tekotte made first on a dropped third strike by the catcher and continued on all the way to third on the throwing error. Bill Roach followed with a home run, scoring Blake and himself and winning the game.

The condition of our field prevented play on Monday, but the Crowder B Team played a game on the Frankfort field and won by the score of nine to four.

The A Team game scheduled for Monday at Frankfort was played on Tuesday with the victory going to Arbury Hills.

LEMONT TOWNSHIP High School cheerleaders participated in the 16th annual summer cheerleader school at Illinois State University in Bloomington-Normal. They are Teri Splitt, Jan Kendzora, Mary Sanna and Jean McDowell. The girls received an outstanding ribbon.

LOOKS EASY? It is, especially when pretty girls and handsome boys are the swim teachers. The group of prospective Red Cross water safety instructors, part of a class of 43 taking training in advance of the June to August learn-to-swim program at Will County pools and beaches, includes (l to r, standing) Jeanne Fabek of Crest Hill, Peggy Aagesen, Jerry W. Harlan Jr. and Richard Wick, all of Lockport; and practicing floating, Janet Hunt of New Lenox, Barbara

Harris and Robert Alberico, both of Lockport, and (far right) Dennis L. Jennings of Crest Hill, volunteer Red Cross water safety instructor. The class for training instructors in Red Cross water safety is in session at the newly opened George Werden Buck Boys club pool, Joliet. Altogether, 150 young people serve Will county Red Cross as volunteer water safety instructors.

Celebrate July 4 At Santa Fe

WILLOW SPRINGS-Santa Fe Speedway presents this weekend its annually explosive Fourth of July stock car package featuring three days of redhot stock car races headlined by the "Stars and Stripes Classic" on July 5.

The show July 5 is a half-mile clay track program featuring a 50-lap feature race. The southwest side clay oval's annual fireworks festivities will be on July 4.

Both Friday and Saturday's shows will commence at 8:30 p.m. The quarter-mile show on July 6 will begin at 8 p.m. Time trials always precede the opening events by one-half hour.

The holiday racing spectacular includes regular quarter-mile late model and sportsman action on July 4 and 6.

Twenty-five lap main events in both divisions will headline both shows. Co-starring with Friday night's fast-paced stock car features is the exciting and captivating fireworks show.

These three days of competitive stock car action will give maximum opportunity for speedway chauffeurs to advance toward the top of the point standings.

More than 38 late model pilots are expected to bid for top honors during the "tri-day" speedway spectacular.

Out of the late model races

might come at least an inkling of a prospective titleholder.

Favored in the late model division would have to be the present three top runners, Don Waldvogel of Lockport, Dick Nelson of Chicago, and Bob Kelly of Wheaton.

Other top late model contenders are Larry Jackson of Lyons, Earl Hubert of Aroma Park, Denny Fallos of Aurora, Jim O'Connor of Kankakee, and Clem Lewandowski of Joliet.

Santa Fe is located at 91st and Wolf Rd.

Leading the late model division at Santa Fe is Don Waldvogel of Lockport, driving car number 51.

Among the area contenders in the sportsman division are Jerry Kling driving number 89, sixth place; Dave Lovelace driving number 52, 14th place; 17th place Smoky Shelton driving number 71; and Don Rego, 20th place, driving number 0-1, all of Lemont.

Park District Sets Boy's Basketball

LOCKPORT - Lockport Township Park District is now offering a summer teenage basketball program for boys aged 14 through 19. Program will be held Monday through Thursday evenings, 6:30 to 9 p.m.

Boys attending the activity are asked to bring their own basketball shoes. All

other equipment will be provided. The program is designed to run for eight weeks.

Monday and Wednesday evenings, teams will meet at A.F. Hill and Central High School; Tuesday and Thursdays at Chaney School. For further information call the park district at 838-1183.

Tennis Competition

LOCKPORT -- Lockport Park District has organized tennis competition for men, women, and high school students at the Lockport Athletic Field and at the Richland Tennis courts.

Competition will be at the Lockport Athletic Field on

Monday and Wednesday evenings from 6 p.m. until dusk, and at the Richland Park Tuesdays and Thursday evenings at the same times.

For additional information on the tennis club, call the Park District office at 838-1183.

Lockport Park District Adult Archery Club

LOCKPORT - Lockport Township Park District is beginning an adult archery club for men, women and high school students. Competition will be scheduled at Dellwood Park on Tuesday

evenings, and at Richland Park on Wednesday evenings. On both evenings the program is from 6 p.m. to dusk.

For further information call the park district office at 838-1183.

10-Mile Run Mokena Feature 4th Program

MOKENA - A 10-mile run, with the finish to be in Mokena Community Park, will be an added feature of the Fourth of July program in that village this year.

This event has been named the Fred Lehmann 10-mile Run, in honor of the late Fred Lehmann, veteran secretary of the Mokena Lions.

The Mokena Lions are sponsoring the Fourth of July Festival there.

The Mokena Lions are contributors to the fund raised in the area to finance the Junior Olympics training program underway this summer under the guidance of Joe Rodriguez, track coach at Lincoln-Way High School.

His program is open to

girls as well as boys and covers the age range from grade thru high school.

One of the events he planned was this 10-mile run which he elected to make a part of the Mokena July 4th program.

The event is open to anyone. All persons interested in entering are to meet at the Mokena Community park at 9:30 a.m. July 4 for instructions.

The run will start at the west end of Pilcher Park. The course lies through the park and out Francis Rd., with the finish line in the Mokena park. It is expected the finish will take place about 11 o'clock.

For further information call Coach Rodriguez at 479-5169.

There will be some races at Mokena park for the younger children.

Wins Trip; Picks Winner In Sox Poll

CHICAGO -- A nephew of a Lemont couple seems to have hit it right on the head when he picked Luke Appling as the greatest White Sox player ever in a poll sponsored by the Chicago Sun-Times.

Tony Kubilius, 14, of Chicago, was one of 7,994 voters who picked Appling in the recent poll. Because of his one ballot submitted he and his father have won a trip to the 1969 All-Star game with all expenses paid.

The trip, which will take the two to Washington, was sponsored by the Times, and the White Sox and Cubs. Tony, a Cub fan, is the nephew of Mr. and Mrs. Alex Gimbels, who reside with their daughter, Violet, at 1382 State St. in Lemont. Tony reported that his dad, Anthony Sr., is a Sox fan.

Willow Run Women Find Putts Pay

MOKENA -- The mystery event of the Willow Run Women's Golf League last week turned out to be the low putt on the odd holes.

A flight winner was Rita Schickling with eight putts.

B flight winner was Alice Cheney with eight putts.

C flight winner was Roberta Marcotte with 10 putts.

"We are really turning out and everyone is taking part," a spokesman said. "There were 36 out to play on Thursday."

"Try and join us on July 13, it is our couples event. It is a Scotch ball foursome with a buffet dinner later. There will be prizes and a lot of fun for all. See you next week!"

Gun Club

JOLIET -- The Pure Rod and Gun Women's Club will meet at 7:30 p.m., July 14 at the clubhouse on Rt. 126 in Plainfield.

Boating Week

SPRINGFIELD -- Governor Richard B. Ogilvie has proclaimed the week beginning June 29 as National Safe Boating Week in Illinois.

ORDINANCE NO. 577

An ordinance amending ordinance No. 474 of the Village of Mokena, Illinois

IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF MOKENA, WILL COUNTY, ILLINOIS:

WHEREAS, the following proposed change in permitted uses within a certain zoning classification was referred to the Zoning Commission of the Village of Mokena, and the Commission, after a Public Hearing held May 14, 1969, at 7:30 P.M. pursuant to published Notice, recommended the following changes:

SECTION 1: That paragraph 7-B, Surfacing and Drainage of Section 11, Article III, General Provisions, of the Zoning Ordinance of the Village, known as Ordinance No. 474, passed May 6, 1964 is hereby amended to read as follows:

All open parking areas or lots, except one, two or three parking spaces accessory to a single-family or two-family dwelling, shall be improved with a compacted crushed stone base not less than six (6) inches thick, and surfaced with asphaltic concrete. Such parking areas shall be pitched and drained so as to prevent the flow of water from such areas onto adjoining property or unpaved

streets or alleys, or onto paved streets or alleys which do not have sewer and drainage structures installed.

SECTION 2: That paragraph 4, Surfacing of Section 12, Article III, General Provisions is amended to read as follows:

All open loading berths shall be improved with a compacted crushed stone base not less than seven (7) inches thick and surfaced with not less than two (2) inches of asphaltic concrete.

SECTION 3: That paragraph 9-A, side yards in Section 5 and 6 of Article IV is amended to read as follows:

A. Two side yards, each not to be less than ten (10) percent of the lot width or five (5) feet in width, whichever is greater, however the maximum required width shall be ten (10) feet.

SECTION 4: That paragraph 5, Building Height of Sections 2, 3 and paragraph 6, Building Heights of Sections 4, 5 and 6 of Article IV is amended to read as follows:

Building Height not to exceed three (3) stories or thirty-five (35) feet, whichever is lower.

SECTION 5: The Zoning Map of the Village is hereby amended to conform to the above changes.

SECTION 6: All ordinances or parts of ordinances in conflict herewith or any

section hereof are hereby repealed.

SECTION 7: This Ordinance shall be printed and published at least once in one or more newspapers with a general circulation within the municipality.

ORDINANCE NO. 576

An Ordinance Amending The Municipal Code Of The Village Of Mokena, Illinois AS ADOPTED APRIL 16, 1969

Now, therefore, be it ordained by the President and Board of Trustees of the Village of Mokena, Will County, Illinois:

WHEREAS, Chapter 22, Article II, of the Municipal Code of the Village of Mokena, Illinois, provided for a Curfew, it is hereby amended to read as follows:

SECTION 1: Article II. Curfew

-- Regulations.) It shall be unlawful for any person of less than eighteen (18) years of age to be present at or upon

any public assembly, building, place, street or highway in the city at the following times unless accompanied by a parent, legal guardian or other responsible companion at least twenty-one (21) years of age unless engaged in a business or occupation which the laws of this State authorize a person less than eighteen (18) years of age to perform:

1. Between 12:01 a.m. and 6 a.m. on Saturday;

2. Between 12:01 a.m. and 6 a.m. on Sunday; and

3. Between 9:30 p.m. on Sunday to Thursday, inclusive, and 6 a.m. on the following day.

-- Permitting person to violate curfew.) It shall be unlawful for a parent, legal guardian or other person to knowingly permit a person in his custody or control to violate the provisions of the preceding section.

-- Detaining child.) Each member of the police force while on duty is hereby authorized to detain at the Village Hall or Police Department any person willfully violating the provisions of the first section of this ordinance until the parent or legal guardian of the child shall take him or her into custody; but such officer shall immediately upon taking custody of the child communicate with the parent or legal guardian.

Delinquent or mendicant children.) If it shall appear that any child taken into custody for a violation of the first section of this ordinance is growing up in mendicancy or vagrancy, or is incorrigible, for the lack of proper parental care or has no home, proper proceedings shall be taken to have such child placed in the care of a state institution as is provided by statute.

-- Penalty.) Any person violating any provision of this ordinance shall be fined not less than ten dollars nor more than one hundred dollars for each offense.

SECTION 2:

All ordinances of parts of ordinances in conflict herewith or any section hereof are hereby repealed.

SECTION 3:

This Ordinance shall be printed and published at least once in one or more newspapers with a general circulation within the Municipality, and shall become effective on that date.

PASSED this 4th day of June, A.D. 1969.

NOTICE OF CHANGE IN ZONING

The Zoning Board of Appeals of the Village of Lemont, Illinois will hold a public hearing Thursday, July 17, 1969 at 8:00 P.M. in the Village Hall to consider a petition of Alfonsas Kerelis for a change of zoning from Class "D" single family dwelling to Class "F" multiple family dwelling.

The area is described as follow: Lots 7, 8, and 9 in Freehauf's Subdivision of the west 493.4 feet of Lot 9 of County Clerk's Division of part of the southwest quarter of the northwest quarter of Section 29, Township 37 North, Range 11, East of the Third Principal Meridian, in Cook County, Illinois. The area is located on the east side of State Street at the east end of Peiffer Street.

The above petitioner desires to construct an apartment building on the three lots in accordance with the Village Code.

Anyone opposing must be present at the hearing to express their objections in person or submit their objections in writing with signatures to the Board of Appeals.

Obituaries

James Clayton

James F. Clayton Sr., 70, of Vienne, Ill., formerly of Lockport, died June 18 in Metropolis, Ill., following a two month illness. Clayton had been an employee of Texaco, Inc.

Surviving are his widow, the former Edith Durfee; three sons, James F. of Joliet, Donald G. and Richard D. of Vienne; a sister, Mrs. Cletus Fay Gurley of Buncombe; five brothers, Ralph, of Joliet, Roy of Simpson, Earl of Harrisburg, Thomas of Carbondale and Donald L. of Burlington,

Iowa; and three grandchildren.

Services were held June 21 at the First Baptist Church of Vienna with Rev. Louis Brinder officiating. Interment was in Vienna Fraternal Cemetery.

Mrs. Anne Grieve

MOKENA -- Funeral services were conducted last Thursday for Mrs. Anne Grieve 86, of 193rd Street in Mokena. She died June 23 at Silver Cross Hospital following a brief illness.

Services were conducted at Hirsch Memorial Chapel in Tinley Park with the Rev. Charles Eden officiating.

Mrs. Grieve was a native of Edinburgh, Scotland, and came to this country in 1923. She had been a resident of the Mokena area for nine years.

She was a member of the Order of the Eastern Star in Scotland.

Preceding her in death was her husband, John, who died in 1967.

Survivors include two daughters, Mrs. Rebecca McArthur of Mokena and Mrs. Violet Artus of Chicago; four sons, William of Springdale, Wash.; Robert, of Colorado Springs, Colo.; James of Pueblo, Colo. and Malcolm of Lansing, Ill.; one sister, Mrs. Rebecca Fleming of Chicago Heights, Ill.; and one brother in Scotland.

Mrs. Grieve was buried at St. John's Cemetery in Mokena.

Dr. DeLove Sets Up Navajo Scholarships

CHICAGO -- Dr. Sidney J. De Love, a contemporary historian, author, and eminent banker in Chicago, was awarded the Distinguished Citizens Award by the 4th Marine Division Association at its 22nd reunion Saturday night in the Chicago-Sheraton Hotel.

The award cited his many contributions to the cause of patriotism and Americanism.

Dr. DeLove also was presented a specially struck medallion on an authentic Indian beaded band in recognition of the two banking scholarships he has established under the auspices of Chicago's Independence Hall for Navajo citizens.

The scholarships include transportation to and from Window Rock, Ariz., home of the Navajo and board and room.

The medallion was the same as those presented to the Navajo Code Talkers who were honored as the highlight of the reunion for their magnificent performance during World War II.

The Navajo, who were recruited into the Marine Corps in a special, top-secret project because of their unique language, solved a serious communications problem in the Pacific campaigns.

Rain Storm Upsets Area Residents

LOCKPORT -- Residents of the Bonnie - Brae subdivision were shook-up by the storm on June 25. Tree limbs and branches were blown all over the area, and television antennae were bent over.

Clean-up of the area was conducted by each individual homeowners. Raymond Hicks, 302 McCameron Ave. was picking up his yard and stated, "I was at work at the time, but the family was home, and were pretty shook-up. The wind started to blow and then finally the rain came."

According to residents of the area, the only damage done was minor and could be cleaned up quite easily.

We buy insurance for two reasons:

1. to protect our assets in the event of loss
2. to secure peace of mind

It's ironic, but we cannot have No. 2 without being sure of No. 1. Most everyone has insurance in this sophisticated, modern age. A valid, official-looking policy is readily available from many companies. But there is more to it than just the policy. A local, independent agent who stands ready to service the policy is a mighty important factor. So is a local office in which to make a claim - in contrast to far-away, mail-order claim service. This Holiday Weekend

Let's face facts. Live drivers are safe drivers. Whether you think you're the world's greatest driver or not, there's always the other guy. The guy who runs the light, who drinks too much, who didn't see the sign. Over the holiday, there are always more of them. And the only way to avoid serious accidents is to be a careful driver. Keep a safe and steady hand on that wheel. If you don't, death can be in your driver's seat, too!

**Cheaper
in the long run.**

Gas will never cost
you much. (You'll get
up to 27 miles to the
gallon.)
And the amount of
oil you use is like a
drop in the bucket. (It
only takes 2.7 quarts
and almost never
needs more between
changes.)
And the engine is
air-cooled, so you
don't have to spend
a red cent for anti-
freeze or rust inhibi-
tors.
And you get more
than your money's
worth out of a set of
tires.
But don't think buy-
ing a new Volkswagen
is just another get-
rich-quick scheme.
You have to wait
until the second set of
tires wears out.

Hope To See Contract Offer Soon

FRANKFORT -- School members and William Scheidmantel, architect, had a busy session at the board's recent meeting, including review of drawings for additions to the Frankfort and Chelsea schools.

It is their hope that contracts can be awarded by mid-July. The next meeting of the board is slated for July 14 at 7:30 p.m. in the Frankfort School Library.

At the last meeting, Kenneth Reiss, science teacher

for the upper grades, described the work done in the department the past school year. The department is making an evaluation of the work in the upper grades which it hopes to complete this fall. The new science program

will be instituted at the beginning of the 1970-71 school year, he said.

Thirty additional desks have been purchased for the Frankfort school.

Approval was given to the recommendation that Allan Walsh, a graduate of Lewis College, be hired to teach fifth grade. Walsh is a resident of New Lenox. This will be his first teaching post.

Dist. 56-C School Tax Hike Loses

FRANKFORT -- For the second time residents of the Ann Rutledge School district No. 56-C have voted down a request by the board of education for an increase in the tax rates of the building and educational funds.

held June 14 at which the citizens were asked to vote on a 21-cent increase in the educational fund tax rate, and a 10-cent hike in the building fund.

The propositions were voted down 125 to 45. When they were voted on at the time of the regular school election last April they lost

by only three votes, 52 to 49.

The vote June 14 was interpreted to mean that property owners don't want any tax increases.

The tax bills sent out this spring call for more money in most instances, it was pointed out, and most of the money goes to the schools.

Set July 4 Celebrations

(continued from page 1)
Post 5819, and the American Legion Post 243.

In case of inclement weather, a rain date of July 5 has been chosen. A sound truck will travel through the village from 6 to 7 p.m., followed by a concert presented by the Lemont School Bands, until 8:30 p.m.

A fireworks display is again scheduled for the Fourth this year at Lincoln-Way High School, west of New Lenox on U.S. 30.

The New Lenox Association of Commerce, the Volunteer Fire Department and the New Lenox Lions will sponsor the program. They hope to make it an annual event.

There is no admission fee

but donations will be accepted. People can sit in their cars and watch. The program is scheduled to begin at 9 o'clock and is expected to run about an hour and half.

Mayor George Nordstrom of Lockport, has issued a proclamation declaring that bells and whistles in Lockport will be sounded at 1 p.m. on the Independence Day holiday.

St. Dennis and St. Joseph Grade School Bands of Lockport, will be among the participants in the junior parade marking the holiday in Blue Island. Theme of the parade is "This Is My Country."

Patriotic pageantry in parades and the night's performance under the general theme will highlight the annual celebration sponsored

by the Lions Club.

Fourteen musical units will be interspersed among the decorated entries in the two parades. The junior parade will get underway at 12:30 p.m., followed by the senior parade stepping off at 1 p.m.

Mayors of all area communities have issued proclamations urging observance of Bells on Independence Day.

Religious, civic and patriotic organizations are scheduled to stage two to four minutes of bell ringing at 1 p.m., July 4 to commemorate the ringing of the Liberty Bell in 1776, proclaiming the signing of the Declaration of Independence.

The mayors also urge all the people to display the Nation's flag.
